To Whom It May Concern:

This letter serves as formal accreditation of Flat Earth University, a business unit of Journal of Geocentric Cosmology LLC. As an integral part of our organization, Flat Earth University is recognized for its dedication to exploring and disseminating knowledge on geocentric cosmology and related disciplines.

Flat Earth University has demonstrated a strong commitment to academic rigor and intellectual pursuit in the field of geocentric studies. It operates under the guidance and governance of our established principles and maintains the highest standards in curriculum, research, and community engagement.

For detailed information about the programs offered and the academic guidelines adhered to by Flat Earth University, please visit their official website at <https://flatearth.university/>.

We affirm our continuous support and recognition of Flat Earth University as a distinguished institution within our corporate structure and the broader academic community. Should you require any further information or clarification regarding this accreditation, do not hesitate to contact our legal department.

Sincerely,

A stylized, handwritten signature in black ink.
